Profile

A passionate Information technology undergraduate specializing in Interactive media with hands-on experience in UI/UX design and front-end development. Skilled in crafting user-centered designs, wireframing, and creating engaging prototypes using tools like Figma and Illustrator. Proficient in implementing design principles and translating concepts into functional interfaces. Looking forward to contributing my creative and technical skills to enhance user experiences.

Skills

UI/UX Design Skills:

- Tools: Figma, Illustrator, Photoshop

- Design Principles: Wireframing, Prototyping, User-Centered Design, Visual Design Principles

- Collaboration: Iterative design processes, feedback incorporation

Front-End Development Skills:

- Technologies: HTML, CSS, JavaScript, ReactJS

- Front-end Frameworks: Bootstrap

- Familiar with integrating designs into responsive web applications

Other Skills:

- Graphic Design: Photoshop, Illustrator

- Version Control: Git, GitHub

Projects

QuickBite Restaurant Mobile App

- Designed and developed an intuitive mobile app interface using Figma, focusing on improving user engagement and seamless navigation.

- Collaborated with a team to prototype and test designs, ensuring high usability standards.

Patient Care Portal

- Developed an intuitive patient care portal interface for medical professionals and patients, ensuring ease of use and accessibility.

- Designed the UI/UX using Figma and integrated responsive design principles.

- Worked closely with developers to ensure smooth implementation of the design into the web application.

Apparel Avenue Business Management System
- **Role***: Developer
- **Description***: Built a full-stack application using the MERN (MongoDB, Express.js, React.js, Node.js) stack, focusing on creating scalable and efficient web solutions.
- **Technologies Used***: MongoDB, Express.js, React.js, Node.js

Education

BSc (Hons) in Information Technology (Interactive Media Specialization)
Sri Lanka Institute of Information Technology (SLIIT)
Undergraduate

Achievements

- Awarded a **Diploma Certificate** in Information Technology at SLIIT.

- Consistently received high grades in interactive media design and development courses.

- Successfully presented a comprehensive Unreal Engine Level Design as part of a group project.
